

There are many holidays throughout the year, some we all know, but many you do not. Today you will create a holiday card for one of these weird but real holidays.

DIRECTIONS: Fold your card in half so it looks like a real card. Decorate the front, color it well, and have a fun message inside. Put your name and period on the back so you get credit. **THIS WILL BE GRADED.**

*Please keep your work...
"School Appropriate."*

1-Jan	Polar Bear Plunge Day
2-Jan	Buffet Day
2-Jan	Science Fiction Day
