

## Pick a Prompt

Name \_\_\_\_\_ period \_\_\_\_\_

**Pick a prompt below and sketch it on the back of this paper. When your sketch is done share it with another student for feedback before re-drawing it on final paper.**

1. Create a mandala inspired by your favorite animal, using patterns and colors
2. Create a pattern inspired by music. Imagine what soundwaves would look like as designs.
3. Draw a landscape where the sky and ground are made of entirely different textures.
4. Invent a hybrid animal by combining features of three different animals.
5. Create a drawing of your favorite dessert as a piece of furniture (e.g., a cupcake chair).
6. Draw a city where all the buildings are shaped like objects you use every day.
7. Draw an ice cream cone with the most unusual flavors and toppings imaginable.
8. Imagine and draw your school backpack as a secret robot.
9. Draw your pet (or dream pet) as a superhero.
10. Imagine and draw a vase filled with flowers made of unexpected objects.
11. Create a map of an imaginary island and fill it with landmarks.
12. Imagine and draw a conversation between two pieces of furniture in your home.
13. Create a drawing of a treehouse designed for an artist.
14. Illustrate a single word in a way that visually represents its meaning (e.g., "burst," "calm").
15. Draw a sound wave coming out of an object as if it were an abstract, colorful design.
16. Combine two unrelated objects (e.g., a trumpet and a tree) into one seamless design.
17. Combine your favorite mythological creature with a robot.
18. Imagine and draw the aftermath of a mysterious event (e.g., an abandoned carnival).
19. Depict a metaphor visually, such as "time flies" or "breaking barriers."
20. Trace your hand and draw what an x-ray view would look like if you were a robot spy.

**Who did you share your sketch with? \_\_\_\_\_ What was their feedback?**
